INCIDENT REPORTING REQUIREMENTS

Provider Name: _____

Non-Delegable Responsibility:

Each individual who is an employee or agent of a protected entity of the SIP has a non-delegable responsibility to report to the SIP any occurrence or circumstance which has the potential of becoming a liability claim against you and/or your employer and/or the facility at which the circumstance occurred.

Circumstances Required to be Reported:

Recognizing that no definition of a reportable event will cover all circumstances and that it is often the magnitude of an injury rather than the actual quality of the care delivered that causes malpractice claims to be filed, the following conditions or incidents are among those which must be reported if they manifest while the patient is undergoing treatment, therapy, or surgery:

1. Total or partial loss of limb, or loss of the use of a limb
2. Sensory organ or reproductive organ impairment
3. Any injury to any part of the anatomy not undergoing treatment
4. Disability or disfigurement
5. Any assertion by a patient or patient's family that he/she has been medically injured
6. Misdiagnosis of a patient's condition resulting in mortality or increased morbidity
7. Any birth of a term baby that is stillborn or expires shortly after delivery
8. Any shoulder dystocia resulting in a fracture or other injuries
9. Any assertion by the patient/family that no consent for treatment (medical/surgical) was given
10. Any assertion or evidence that the patient was sexually abused, raped, or otherwise sexually assaulted
11. Medication errors leading to injury, death, or higher level of care
12. Retained foreign body incidents
13. Wrong site, wrong patient, wrong procedure
14. Any incident that results in an unexpected death, brain or spinal damage, or any other injury not referenced above
15. Any other unexpected adverse condition or outcome that you feel could result in a claim

The best guideline to follow for determination of whether a circumstance is reportable is that of common sense, sustained by the ever present awareness of the possibility of a claim. The standard practice should be that **when in doubt, report.**

AUTHORIZATION FOR RELEASE OF INFORMATION

The undersigned hereby authorizes the release of information as specified below to:

Florida Atlantic University College of Medicine Self-Insurance Program, hereafter referred to as "Program."

The undersigned hereby authorizes his/her present and prior professional liability insurance carriers and any and all attorneys who have represented the undersigned in connection with any claim of professional liability to release to the Program, upon its request, information regarding closed, pending, or anticipated claims and any underwriting or other information which in the judgment of any such carrier, attorney or the Program may have a bearing upon his/her professional liability risk factors.

The undersigned also authorizes all medical associations, medical societies and managed care organizations in which he/she is or has been a member, all hospitals in which he/she now holds or has held staff privileges, the state board of medical examiners for the state in which he/she has practiced, the state department of public health for the state in which he/she has practiced or resided, motor vehicle departments, and any and all physicians having information regarding the undersigned, to release to the Program, upon its request, any information any such person or entity may have which, in the judgment of any such person or entity, has a bearing upon his/her professional liability risk factors.

PROFESSIONAL LIABILITY QUESTIONNAIRE

COVERAGE RESTRICTION & INFORMATION

Medical malpractice liability protection provided by the above named SIP is restricted to incidents and claims arising out of patient care rendered within the scope and course of your employment with the Florida Atlantic University.

Private physicians/providers appointed by the Florida Atlantic University Board of Trustees (FAUBOT) to supervise, educate, and train FAUBOT fellows, residents, and/or students have a limited personal immunity as set forth in Section 768.28(9), Florida Statutes. The limited personal immunity of Section 768.28(9), Florida Statutes, protects private physicians/providers with FAUBOT appointments for their negligence in supervising, educating, or training FAUBOT fellows, residents, and/or students, and from vicarious liability arising from alleged negligent acts or omissions of FAUBOT fellows, residents, and/or students. The exclusive remedy for alleged negligent acts or omissions of FAUBOT fellows, residents, and/or students is an action against FAUBOT.

The FAUBOT appointment does NOT trigger the limited liability of Section 768.28(9), Florida Statutes, for patient care personally provided by appointed private physicians/providers. A private physician/provider is solely responsible for the care and treatment provided and must individually satisfy Florida professional financial responsibility requirements applicable to physicians.

For questions regarding FAUBOT medical malpractice liability protection, please call (352) 273-7006, or (844) MY FL SIP, or visit our website at www.myflsip.org.
