

Withholding/Withdrawing of Life-Prolonging Treatment and Measures

Presented by:

The Florida Professional Liability Self-Insurance Programs

Disclosure Statement: The Florida Professional Liability Self-Insurance Program has disclosed that they have no relevant financial relationships. No one else in a position to control content has any financial relationships to disclose.

Requirements for Successful Completion:

This CME activity consists of an educational component (slides, audio/online lecture) which is followed by an online post-test. Certificates are awarded upon successful completion (80% proficiency) of the post-test. In order to receive credit, participants must view the presentation in its entirety.

Release Date: 07/01/2019

Expiration Date: 06/30/2021

Target Audience: Physicians, Specialty Physicians, Physician Assistants, Nurses, and Residents.

Learning Objectives: As a result of the participation in this activity, participants should be able to:

1. Explain the doctrine of patient autonomy.
2. Define competence, often referred to as capacity, and distinguish these terms from incompetency, often referred to as incapacity.
3. Define life-prolonging procedures.
4. Determine when a patient is in a persistent vegetative state, an end-stage condition, or a terminal condition.
5. Distinguish between advance directives and decisions of legal representatives.
6. Recite the procedure for withholding or withdrawing life-prolonging procedures for competent / capacitated adults.
7. Recite the procedure for withholding or withdrawing life-prolonging procedures for incompetent/incapacitated adults.
8. Identify Florida Statutes and regulations relevant to the withholding or withdrawing of life-prolonging procedures.

CME Advisory Committee Disclosure:
