Release Date: 05/30/2019

Expiration Date: 05/30/2023

Target Audience: Doctors of Veterinary Medicine, Veterinary Medicine Technicians

Learning Objectives: As a result of the participation in this activity, participants should be able to:

1. Understand the rules and regulations guiding the conduct of veterinarians in the State of Florida.
2. Recognize the basic elements of veterinary malpractice actions and the standard of care, and the distinction for damages related to animal patients.
3. Apply techniques to avoid related claims and provide appropriate resident supervision.
4. Understand the current status of case law in Florida related to veterinary care.

Accreditation: The Healthcare Education Insurance Company is licensed by the State of Florida Department of Business and Professional Regulation and is a Board approved Continuing Education Provider through The Florida Board of Veterinary Medicine to provide continuing education for veterinarians.

Credit: The Florida Board of Veterinary Medicine designates this Distance/Online course for a maximum of 4 Continuing Education Course Hours (2 for Laws & Rules, 2 for General Credit). Veterinarians should claim only the credit commensurate with the extent of their participation in the activity.

Contact: If you have any questions please feel free to contact SIPHELP at (352) 273-7006 or at SIPHELP@ad.ufl.edu.
