Kari Aasheim Valentine, Esq.

Ryan Copenhaver

Stephanie C. Gann

Requirements for Successful Completion:

- This CME activity consists of an educational component (slides, audio/online lecture) which is followed by an online post-test.
- There is no fee for SIP participants to engage in this CME activity or to receive CME credit.
- Certificates are awarded upon successful completion (80% proficiency) of the post-test.
- In order to receive credit, participants must view the presentation in its entirety.

Release Date: 07/01/2019

Expiration Date: 06/30/2021

Target Audience: Physicians, Physicians Assistants, Nurses (All Healthcare Providers)

Learning Objectives: As a result of the participation in this activity, participants should be able to:

1. Define domestic violence and its impacts on health care.
2. Cite general prevalence of domestic violence nationally and statewide.
3. Identify risk factors and describe screening procedures for determining whether a patient has a history of being either a victim or a perpetrator of domestic violence.
4. Provide such patients with information on, or how to refer such patients to, resources in the local community.
5. Understand and comply with mandatory reporting requirements.
