

Medical Error Prevention for Dentists and Dental Hygienists

Presented by:

Daniel J. D'Alesio Jr., Esq.

Faculty Disclosure: The Florida Board of Governors Self-Insurance Program has disclosed that there is no relevant financial relationships. No one else in a position to control content has any financial relationships to disclose.

Requirements for Successful Completion:

- This CME activity consists of an educational component (slides, audio/online lecture) which is followed by an online post-test.
- There is no fee for SIP participants to engage in this CME activity or to receive CME credit.
- Certificates are awarded upon successful completion (80% proficiency) of the post-test.
- In order to receive credit, participants must view the presentation in its entirety.

Release Date: 03/01/2019

Expiration Date: 03/31/2021

Target Audience: Dentists, dental residents and dental hygienists

Learning Objectives:

As a result of the participation in this activity, participants should be able to:

1. Define medical error and discuss the multiple factors propelling medical error prevention.
2. Discuss how agency regulations impact health care facility and provider operations.
3. Know the difference between a sentinel and adverse events.
4. Describe the process of Root Cause Analysis
5. Identify factors that contribute to missed, wrong, or delayed diagnosis and treatment and avoid noncompliance with Board of Dentistry rules and regulations through review of actual case scenarios.

Credit: This course has been approved by the Florida Board of Dentistry as satisfying the 2-hour medical error continuing education licensure renewal requirement. Course participants should claim only the credit commensurate with the extent of their participation in the activity.

Contact: If you have any questions please feel free to contact SIPHELP at (352) 273-7006 or at SIPHELP@ad.ufl.edu.
