

Medical & Legal Aspects of the Electronic Health Record

Presented by: The Florida Professional Liability Self-Insurance Programs

Disclosure Statement: The Florida Professional Liability Self-Insurance Program has disclosed that they have no relevant financial relationships. No one else in a position to control content has any financial relationships to disclose.

Requirements for Successful Completion: This CME activity consists of an educational component (slides, audio/online lecture) which is followed by an online post-test. Certificates are awarded upon successful completion (80% proficiency) of the post-test. In order to receive credit, participants must view the presentation in its entirety.

Release Date: 07/01/2020

Expiration Date: 06/30/2022

Target Audience: Primary Care Physicians, Specialty Physicians, Physician Assistants, Nurses, and Residents.

Learning Objectives: As a result of the participation in this activity, participants should be able to:

1. Describe the financial incentive program under the HITECH ACT.
2. Relate the uses and users of the clinical record; the difference between an EMR and EHR; and what constitutes a legal health record.
3. Avoid or minimize risk factors by applying professional recognized EHR, documentation, and security recommendations.

CME Advisory Committee Disclosure: Conflict of interest information for the CME Advisory Committee members can be found on the following website: <https://cme.ufl.edu/disclosure/>. All relevant financial relationships have been mitigated.

Accreditation: The University of Florida College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit: The University of Florida College of Medicine designates this enduring material for a maximum of 1 *AMA PRA Category 1 Credit™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Contact: If you have any questions please feel free to contact SIPHELP at (352) 273-7006 or at SIPHELP@ad.ufl.edu.
