Alternative Dispute Resolution

Presented by: The Florida Professional Liability Self-Insurance Programs

Disclosure Statement: The Florida Professional Liability Self-Insurance Program has disclosed that they have no relevant financial relationships. No one else in a position to control content has any financial relationships to disclose.

Requirements for Successful Completion: This CME activity consists of an educational component (slides, audio/online lecture) which is followed by an online post-test. Certificates are awarded upon successful completion (80% proficiency) of the post-test. In order to receive credit, participants must view the presentation in its entirety.

Release Date: 07/01/2021 **Expiration Date:** 12/31/2023

Target Audience: Physicians, Specialty Physicians, Physician Assistants, and Residents.

Learning Objectives: As a result of the participation in this activity, participants should be able to:

- 1. Cite the various forms of informal and formal alternative dispute resolutions used in health care setting.
- 2. Define the methods utilized for each type of alternative dispute resolution.
- 3. Apply the fundamental principles of informal dispute resolution.
- 4. Recognize the basics of disclosure and apology law in Florida.
- 5. Distinguish voluntary mediation from mandatory mediation.
- 6. Summarize the arbitration process.

CME Advisory Committee Disclosure: Conflict of interest information for the CME Advisory Committee members can be found on the following website: https://cme.ufl.edu/disclosure/. All relevant financial relationships have been mitigated.

Accreditation: The University of Florida College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit: The University of Florida College of Medicine designates this enduring material for a maximum of 1 *AMA PRA Category 1 Credit*^m. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Contact: If you have any questions please feel free to contact SIPHELP at (352) 273-7006 or at SIPHELP@ad.ufl.edu.
