

Taking Time Out to Avoid Wrong Site Surgery

Presented by: The Florida Professional Liability Self-Insurance Programs

Disclosure Statement: The Florida Professional Liability Self-Insurance Program has disclosed that they have no relevant financial relationships. No one else in a position to control content has any financial relationships to disclose.

Requirements for Successful Completion: This CME activity consists of an educational component (slides, audio/online lecture) which is followed by an online post-test. Certificates are awarded upon successful completion (80% proficiency) of the post-test. In order to receive credit, participants must view the presentation in its entirety.

Release Date: 07/01/2021

Expiration Date: 12/31/2023

Target Audience: Physicians, Specialty Physicians, Residents, Physician Assistants, Nurses and Specialty Nurses.

Learning Objectives: As a result of the participation in this activity, participants should be able to:

1. Describe the Florida Board of Medicine definition of surgery/procedure and what constitutes wrong-site surgery.
2. Recite pertinent state and federal standards relative to wrong surgeries, associated medico-legal and potential practitioner implications as well as prevalence data.
3. Relate common risk factors of wrong site, wrong patient, wrong procedure surgery and apply nationally recognized practices and preventive strategies.

CME Advisory Committee Disclosure: Conflict of interest information for the CME Advisory Committee members can be found on the following website: <https://cme.ufl.edu/disclosure/>. All relevant financial relationships have been mitigated.

Accreditation: The University of Florida College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit: The University of Florida College of Medicine designates this enduring material for a maximum of 1 *AMA PRA Category 1 Credit™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Approved for by the Florida Board of Nursing as satisfying, 1 CNE hour, licensure requirement. Course participants should claim only the credit commensurate with the extent of their participation in the activity.

Contact: If you have any questions please feel free to contact SIPHELP at (352) 273-7006 or at SIPHELP@ad.ufl.edu.
