Q&A**

1) For purposes of executing this document, who qualifies as an official at the HOME INSTITUTION?

Although we defer to the HOME INSTITUTION in deciding who has the authority and control to execute this document on behalf of the HOME INSTITUTION, we would prefer that one individual in each college (e.g., Dean, Dean's designee, GME Director) be appointed as the official for document execution. This will help to ensure consistency in approach, understanding, and completion.

2) What are the coverage requirements if the home institution is a non-Florida state university but IS a public entity entitled to governmental immunity protections under state law?

If the HOME INSTITUTION is a public entity entitled to governmental immunity protections under applicable state law, then the HOME INSTITUTION will need to submit proof that it provides Occurrence-Based, or Claims-Made with tail coverage that includes the rotation dates, professional liability coverage in accordance with any limitations associated with their applicable state law. In addition, the HOME INSTITUTION will need to submit proof that it also provides such insurance with limits of no less than \$1,000,000 per occurrence/\$3,000,000 annual aggregate in the event governmental immunity protections are determined by a court of competent jurisdiction not to apply.

3) When must a Certificate of Insurance accompany this form?

If the HOME INSTITUTION does not provide protections for their students and is attesting that the student has personal professional liability insurance with limits of at least \$1,000,000 per occurrence / \$3,000,000 annual aggregate, [a Certificate of Insurance demonstrating required coverage must accompany this form when submitted to the University of Central Florida College of Medicine Self-Insurance Program.](#)
